

PROPOSED TEMPORARY CLOSURE OF UNNAMED ROAD MOOR CRICHEL

I have received an application from BT to close Unnamed Road, Moor Cricchel from the junction with Longmans Road to a pint approximately 210 metres to the east. The closure has been requested to allow BT to install fibre cabling from existing cabinet to provide new customer connection. These works are programmed to commence from 09:30, 27th July 2020 until 15:30, 27th July 2020.

BT will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 26th June 2020.
