

PROPOSED TEMPORARY CLOSURE OF A354 TO LONG CRICHEL - LANE, LONG CRICHEL

I have received an application from Kier agents of South West Water to close A354 TO LONG CRICHEL - LANE, LONG CRICHEL, 320 meters from the junction of Long Cricel To More Cricel - Lane, (in both directions), a distance of approximately 250 metres the road will be closed. The closure has been requested to allow South West Water to provide a new water service.

These works are programmed to commence from 09:00, 4th January 2022 until, 12th January 2022.

Kier agents of South West Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Nigel Coelho, (trafficteam@dorsetcouncil.gov.uk) by 13th December 2021.
