PROPOSED TEMPORARY CLOSURE OF UNNAMED LANE, GUSSAGE ST MICHAEL

I have received an application from South West Water to close Unnamed Lane, Gussage St Michael between Brookside, Gussage St Michael - Lane and Old Farm House, Gussage St Michael, a distance of approximately 130 metres. The closure has been requested to allow South West Water to carry out fire brigade hydrant repairs in the highway. These works are programmed to commence from 29th November 2023 until 1st December 2023.

South West Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 14 November 2023.
