

PROPOSED HIGHWAY WORKS IN YOUR AREA

LOCATION: - Woodcutts Lane

To enable us to carry out essential highway maintenance works, we plan to close Woodcutts Lane from 18th to 22nd November 2024.

This is a 24 hour closure the road will not be open during this period

We will be carrying out targeted and localised repairs to sections of those roads highlighted in red on the attached map. The recommended diversion route is marked in blue, and this will remain in place for the full duration of the above works. National regulations state that traffic must be diverted onto roads with the same classification as the one that is closed. For the health and safety of all parties, vehicular and pedestrian access is only available by calling the telephone number listed on our onsite signage. This will allow residents to be escorted safely on and off site by a Traffic Management Operative.

If you wish to discuss these works in more detail, please contact me using the details below.

Yours faithfully

Alan Clarke
