

## PROPOSED TEMPORARY CLOSURE OF MANSWOOD COMMON, WITCHAMPTON

I have received an application from SOUTH WEST WATER LIMITED to close Manswood Common, Witchampton outside Lane End as indicated by signage on site. The closure has been requested to allow SOUTH WEST WATER LIMITED to carry out defective reinstatement repair works. These works are programmed to commence from 6th May 2026 until 7th May 2026.

SOUTH WEST WATER LIMITED will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, ([trafficteam@dorsetcouncil.gov.uk](mailto:trafficteam@dorsetcouncil.gov.uk)) by 21st April 2026.
